

Ennes Trust scholarships awarded for 2009

The Ennes Educational Foundation Trust has awarded four scholarships for 2009.

Winners are chosen from applications received by July 1, 2009 from the previous 12 months.

The Harold E. Ennes and Robert D. Greenberg scholarships are awarded to individuals interested in continuing or beginning their education in broadcast engineering and technology. The Youth Scholarship is specifically for a graduating high school senior interested in broadcast engineering as a career. Each scholarship awarded this year is for \$1,500.

Jeffrey E. Miller, CTO, from

Jeffrey E. Miller, CTO

Parma Heights, Ohio, received the Youth Scholarship. Miller is an SBE Youth Member and is a graduate of Valley Forge High School. He will be attending Cuyahoga Community College

to attain an associates degree in Electronic Engineering. He then plans to transfer to Cleveland Institute of Technology to earn his bachelors in Electronic Engineering.

This year there are two Harold E. Ennes Scholarship recipients; **Marissa Acosta** and **Ruben Berlanga-Randall**.

Marissa Acosta

Acosta, from Somerville, Mass., has a Bachelor of Science of Humanities and Science from the Massachusetts Institute of Technology. She is currently enrolled at Cleveland Institute of Electronics majoring in Electronics Technology and Broadcast Engineering. Acosta is the Studio Facility Coordinator at Cambridge Community Television. She will be using the scholarship to further her studies at CIE to help prepare her for a technical leadership role in future career positions.

Ruben Berlanga-Randall, from

Ruben Berlanga-Randall

The Colony, Tex. will also be using his scholarship toward tuition fees at the University of North Texas. He will be majoring in Radio, Television, and Film. He is currently the A/V Technician for the University of Texas, Dallas, and the Audio Engineer for the House of Blues, Dallas.

Receiving the Robert Greenberg Scholarship is **Russell S. VanderHorst** from Goffstown, N.H.

Russell S. VanderHorst

VanderHorst has an Associates Degree in Electrical Engineering Technology from the Cleveland Institute of Technology.

He will be using this scholarship toward his tuition at World College, where he is majoring in Electronic Engineering.

The Ennes Educational Foundation Trust is a non-profit, charitable organization dedicated to the education of current and future broadcast engineers. It provides scholarships, offers workshops and supports other projects that meet the Trust objectives of training broadcast engineers, as well as preparing a new generation for the field. The Ennes Scholarship Committee congratulates the recipients and wishes them well in future endeavors.
